REQUEST FOR CORRECTION OF ENTITY STATUS

Sir:

Through inadvertency and without deceptive intent, the application was filed as a small entity application when it should have been filed as a large entity application.

Our check for \$531.00 is enclosed to cover the difference between small entity fees previously paid and the large entity fees that should have been paid. This represents an extra \$466.00 for the filing fee and an extra \$65.00 for the surcharge in connection with the response to missing parts notice mailed June 7, 2001. Any further relevant fees may be charged to our Deposit Account No. 15-0700.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class Mail in an envelope addressed to: Asst. Commissioner for Patents, Washington, D.C. 20231, on November 9, 2001:

Respectfully submitted,
